												74 class days - Full Semester					

Final exams for 2-credit courses will be October 10 and 11 (1st semester) and February 27 and 28 (2nd semester) using the regular class schedule for those days. The last regular class period of a 2-credit course prior to the final examination (e.g., the October 8 period if a final is scheduled for October 10) shall be designated as a study period, with no class meeting to be held.
