Four steps to completing your financial aid

**Step 1: Accept/decline your aid**
You can access your financial aid information, class schedules, academic records, billing statement, housing assignment, personal profile and more by using "My Northwestern" (MyNWC), a Web-based information system.

1) Log on to MyNWC at my.nwciowa.edu. Refer to your financial aid package for your username and password. Your password is your Northwestern ID number and can be changed once you are logged into your account.

2) Under the “Financial Aid” tab, select “Financial Aid Awards,” then “Accept/Decline Aid.”

3) Accept or decline each award offered to you and select “Submit.” Some aid has been accepted automatically.

4) Submit your outside scholarships on MyNWC using the “Outside Scholarships” link under the financial aid tab.

**Step 2: Complete Federal Direct Loan requirements**
If you accepted a Federal Direct Loan in your financial aid package (subsidized and/or unsubsidized), you are required to complete both a Master Promissory Note (MPN) and entrance counseling. By completing the MPN, you authorize Northwestern College to certify Direct Loans accepted on your current and future financial aid packages.

1) Go to studentloans.gov and sign in using your personal information and FAFSA student PIN. (Obtain a new PIN or retrieve a lost PIN at pin.ed.gov).*

2) Complete the MPN at studentloans.gov.

3) Complete entrance counseling at the same website.

*After April 25, the federal government will have you create your own Federal Student Aid username and password to replace your FAFSA student PIN.
