## Step 1

### Accept/decline your aid

You can access your financial aid information, class schedules, academic records, billing statement, housing assignment, personal profile and more by using “My Northwestern” (MyNWC), a Web-based information system.

- 1) Log on to MyNWC at [my.nwciowa.edu](http://my.nwciowa.edu). Refer to your financial aid package or enclosed cover letter for your username and password. Your password is your Northwestern ID number and can be changed once you are logged into your account.
- 2) Under the “Financial Aid” tab, select “Financial Aid Awards,” then “Accept/Decline Aid.”
- 3) Accept or decline each award offered to you and select “Submit.” Some gift aid has been accepted automatically.
- 4) Submit your outside scholarships on MyNWC using the “Outside Scholarships” link under the financial aid tab.

## Step 2

### Complete Federal Direct Loan requirements

If you accepted a Federal Direct Loan in your financial aid package (subsidized and/or unsubsidized), you are required to complete both a master promissory note (MPN) **and** entrance counseling. By completing the MPN, you authorize Northwestern College to certify Direct Loans accepted on your current and future financial aid packages.

- 1) Go to [studentloans.gov](http://studentloans.gov) and sign in using your Federal Student Aid (FSA) ID.
- 2) Complete the MPN at [studentloans.gov](http://studentloans.gov).
- 3) Complete entrance counseling at the same website.

#### Direct Loan facts

- 1.062% origination fee in 2018–19
- 5.05% fixed interest rate for Direct Loans in 2018–19  
See [nwciowa.edu/loans](http://nwciowa.edu/loans) for updated rates.
- Repayment options include standard 10-year or income-based plans.
- Payments are automatically deferred while a student is in school.

# Step 3

## Pay the balance due

The gap between your cost and your accepted financial aid is the balance due. The balance due can be covered through payments you make and/or loans you obtain. There are two ways to make payments:

### 1) Payment in full

Payment is due Aug. 1 for fall semester and Jan. 2 for spring semester.

### 2) Monthly payment plan (10 months total)

Complete the payment plan form found under the “My Checklist” section of your MyNWC account. The first payment is due July 25 for the fall semester.

Northwestern has contracted with CASHNet to make it possible for students and their family members to make online payments. For more information, visit [nwciova.edu/online-payment](http://nwciova.edu/online-payment).

If you still need help to cover the balance due, you can apply for the following additional loans:

### 1) Private student loans

There are many private loans available to students to help finance their education. Visit our website at [nwciova.edu/private-loans](http://nwciova.edu/private-loans) to view several options, their features, and information to apply. Cosigners are required.

### 2) Parent PLUS Loan

Parents of dependent students may apply for this federally funded loan at [studentloans.gov](http://studentloans.gov). Sign in using the parent’s FSA ID. Then apply for a PLUS Loan and complete the master promissory note (MPN).

#### PLUS Loan facts

- 4.248% origination fee in 2018–19
- 7.6% fixed interest rate in 2018–19
- 10-year repayment
- In-school forbearance up to 48 months if requested; otherwise, repayment begins 60 days after the final disbursement.
- If a PLUS Loan is denied to the parent, the student qualifies for additional direct unsubsidized loan funds.

Please begin the process of obtaining necessary loans as soon as possible, but no later than July 1.

## Loan Repayment Chart

Based on a standard 10-year, 120-month payment plan, your payment amount each month is estimated below.

\$5,500	\$58	\$66
