

Recommendation Form for Northwestern Neuroscience Camp

Biology teacher or guidance counselor recommendation for _____
(student's name)

The above-named student is in the process of applying to attend the Northwestern Neuroscience Camp (NNC), which will be held this summer at Northwestern College in Orange City, Iowa. NNC is a one-week summer residential camp that introduces students to the exciting field of neuroscience through mini-lectures, demonstrations, hands-on activities, experiments, and fieldtrips to neuroscience research labs and the imaging facilities at the local hospital. Northwestern accepts academically outstanding students who are entering or have completed their junior year or senior year of high school. (Preference is given to those who have completed their junior or senior year of high school.)

Please provide your assessment of this student and briefly describe why he or she would benefit from attending the Northwestern Neuroscience Camp. (If you prefer, you may attach a brief letter of recommendation.)

Teacher or guidance counselor signature: _____

High school name: _____

Please send this completed form (by either postal mail or scanned as an email attachment) to be received by May 14 to:
