PRAY

- ... I will have safe travel and remain healthy.*
- ... the Inca Link interns serving together on teams will form positive relationships.*
- ... the missionaries serving full-time in Ecuador will be encouraged in their ministry.*
- ... Inca Link interns will perform effective ministry at the multiple sites where we are serving.*
- ... I follow God's will and am granted confidence and strength to lead teams of ministry volunteers.*

As an intern for Inca Link, I am leading short-term mission teams to Ecuador from the U.S. and Canada.
