

# CHRISTIAN. ACADEMIC. COMMUNITY.

  
NORTHWESTERN  
COLLEGE  
ORANGE CITY, IOWA

The **RED Book** Orientation Calendar | 2018-19

## Mission

Northwestern is a Christian academic community engaging students in courageous and faithful learning and living that empowers them to follow Christ and pursue God's redeeming work in the world.

## Vision for Learning

As members of a Christian academic community rooted in the wisdom of the Bible, we at Northwestern College view learning as worship, using our minds to better understand, serve and love God's world. We are committed to participating in God's redemptive work, and we seek to respond to God's call to share the gospel, care for creation and serve Christ in everyone. In keeping with this commitment, we intend Northwestern graduates to be persons who:

### Trust, love and worship God

Northwestern graduates understand learning is an act of worship. They trust that all truth is God's truth, which frees them to pursue any academic inquiry. They strive to love what God loves, valuing diverse people, cultures and ideas.

### Engage ideas

Northwestern graduates are lifelong learners who listen, read, question and evaluate. They add their voices to the wider conversation through disciplined and imaginative speech, writing, art and performance.

### Connect knowledge and experience

Northwestern graduates notice and nurture connections between individual courses and across whole disciplines of study—between their college learning and preparation for not only fulfilling careers but also faithful lives.

### Respond to God's call

Northwestern graduates explore and discover their gifts—and then use them in service to God, humanity and creation.

## A message from President Christy

Welcome to the Northwestern College family! I'm so pleased you've chosen NWC. I'm eager for you to arrive on campus and begin this exciting journey. College is a time to explore and grow intellectually, spiritually and relationally, and although I'm admittedly biased, I think Northwestern is one of the best places to do that. I also think your time here will be some of the best years of your life.

Hallmarks of your Northwestern experience will be great classes as well as professors, coaches and staff mentors who teach you to integrate your Christian faith with what you're learning. Our faculty and staff are dedicated to our mission and to preparing you not only for a career, but for the rest of your life.

I hope Northwestern will be a place where you discover you're capable of more than you realized and that God has big plans for you. We are blessed to have you here, and I look forward to the ways you will enrich our community.

Sincerely,

Greg Christy, President

P.S. When you're in Zwemer Hall, please feel free to stop by my office. I'd love to welcome you to campus personally.

## MyNWC & your NWC email account

The financial aid package you received in March included your Northwestern College username and password. You can use those to login to [my.nwciowa.edu](https://my.nwciowa.edu). One of the first things you should do is change your password to something private; a [change password link](#) will appear just to the left of your name when you login. Click and follow the instructions.

At [my.nwciowa.edu](https://my.nwciowa.edu) under CAMPUS RESOURCES, you'll find a [campus email link](#). Your username and password will enable you to access your NWC email. Campus offices will use your NWC email address to communicate with you throughout the summer, so you should check it regularly (or arrange for it to forward to your preferred email account).

Connect with your NWC class at [facebook.com/groups/nwcclassof2022](https://facebook.com/groups/nwcclassof2022). Start building the great community Northwestern is known for! Then visit [nwciowa.edu/connect](https://nwciowa.edu/connect) for lots of other ways to connect with NWC on social media.

## First-Year Experience | [nwcsiowa.edu/FYE](http://nwcsiowa.edu/FYE)

College is a big change. That's why we provide support through our First-Year Experience programming. Our aim is to help you have a first year that is as successful as it is memorable.

**Orientation Weekend.** You'll be welcomed into the Northwestern family before classes even start. Your resident assistant and O-Staff leader will guide you as you move in, meet with your faculty adviser, and connect with your First-Year Seminar classmates and professor. Learn more at [nwcsiowa.edu/orientation18](http://nwcsiowa.edu/orientation18) and on the August calendar.

**First-Year Seminar (FYS).** FYS is a class all new students take. You'll read the same books and discuss the same issues as every other first-year student, growing closer as a class and more confident as college students. You'll receive your FYS summer book, *Ordinary Grace*, at your home and should read it before you come to campus in August.

**Thrive Workshops.** Succeeding in classes is only part of succeeding in college. Emerging adults manage their own time, money, career decisions, and health and wellbeing. Weekly Thrive Workshops during your first semester will teach life skills and be a supportive environment where you can interact with others navigating their way to independence.

## Billing and payment

Northwestern offers the option to pay your tuition as a one-time payment or via a monthly payment plan. Visit [my.nwcsiowa.edu](http://my.nwcsiowa.edu) and choose **Billing Information** at the top for payment plan information as well as the option to pay your bill online and view your statement any time. If you have questions, contact Deb in the business office at [debw@nwcsiowa.edu](mailto:debw@nwcsiowa.edu) or 712-707-7125.

## Bringing your computer to campus

Both Macs and PCs are compatible with Northwestern's wireless network. While any computer purchased within the last 5 years is adequate, newer models are more likely to integrate well with our network. We recommend your PC have at least Windows 7; if you have a Mac, we recommend OSX10.6 (Snow Leopard) or newer. Northwestern provides Sophos antivirus software free. Sophos is the only antivirus software allowed and supported on campus, so if you have another program on your computer, it will need to be replaced by Sophos. You'll find a [download Sophos antivirus link](#) under CAMPUS RESOURCES at [my.nwcsiowa.edu](http://my.nwcsiowa.edu). Other helpful information is at [helpdesk.nwcsiowa.edu](http://helpdesk.nwcsiowa.edu).

## Residence life

If you're like most of our students, residence life will be one of your favorite, most memorable parts of Northwestern. Roommate compatibility is a big part of adjusting to college, so we make matching you with the right person a priority. Unless you request a particular roommate as a new student, your admissions counselor and residence life staff will review your housing application information and pair you with someone you're likely to get along with. Visit [nwciowa.edu/residencelife](http://nwciowa.edu/residencelife) for more information, including room dimensions and furniture layout.

## Packing list

In addition to your clothing and school supplies, you should also bring:

- Bedding (80-inch twin mattress)
- Bath towels and toiletries
- Hangers
- Laundry basket, detergent, dryer sheets
- Power strip w/ surge protector
- Alarm clock
- Wastebasket
- Fan (if your hall doesn't have AC)

Not permitted in your dorm room:

- Air conditioners
- Halogen lamps
- Microwaves
- Pets (except fish)
- Weapons (including airsoft guns)

You might also want to bring a small refrigerator, hotpot and eating utensils as well as a couch, chair or other furniture. Visit [nwciowa.edu/what2bring](http://nwciowa.edu/what2bring).

**Orientation weekend**  
**Aug. 17–20 | [nwcsiowa.edu/orientation18](http://nwcsiowa.edu/orientation18)**

Orientation weekend will introduce you to Raider Nation—your new classmates, upperclassmen who may become your mentors, and the faculty and staff who will guide your academic, spiritual and relational learning. **Residence Halls open promptly at noon on Friday, Aug. 17 (not before).** When you arrive on campus, go directly to your assigned hall. (If you are unsure of your hall or are a commuter, go to the Ramaker Center.) Check in with residence life staff in the main lobby of your hall to pick up your room key and other orientation information. Then move in and start making NWC your home away from home. Visit the website for a full orientation schedule for students and parents. If you have questions, contact Alli in the student life office: [alli.denboer@nwcsiowa.edu](mailto:alli.denboer@nwcsiowa.edu) or 712-707-7200.

## Start off healthy

To comply with the American College Health Association (ACHA) and Centers for Disease Control (CDC), all new full-time NWC students must have:

- 2 doses of the MMR vaccine
- Meningococcal Quadrivalent (for students in residence halls or apartments), Serogroup B Meningococcal recommended
- Tdap vaccine
- Tetanus booster (if one has not been administered in the past 10 years)

All incoming students are also required to complete a tuberculin screening questionnaire to determine if a TB test is necessary. As recommended by the ACHA and CDC, we strongly recommend the Hepatitis B series. For more info:

[cdc.gov/vaccines/adults/rec-vac](https://cdc.gov/vaccines/adults/rec-vac) or  
[acha.org/ACHA/resources/topics/vaccine.aspx](https://acha.org/ACHA/resources/topics/vaccine.aspx)

During the school year, health and counseling appointments can be made in Northwestern's Wellness Center, located in the Rowenhorst Student Center: [wellness@nwciova.edu](mailto:wellness@nwciova.edu) or 712-707-7321.

## Health forms due July 15

All new full-time students must complete the following forms, available at My Checklist on [my.nwciova.edu](https://my.nwciova.edu):

- Report your Immunizations
- Emergency Medical Contact
- Campus Evacuation Information

Send the immunization form to:

Alli Den Boer, Student Life  
Northwestern College  
101 7th St. SW  
Orange City, IA 41041

Signed copies can also be faxed or emailed:  
712-707-7228 or [alli.denboer@nwciova.edu](mailto:alli.denboer@nwciova.edu)

## Athletic physicals & insurance

In addition to the health forms that all students must submit to the student life office, athletes also need to complete the [Athletic Physical forms](http://nwcraiders.com/athletic-training) available at [nwcraiders.com/athletic-training](http://nwcraiders.com/athletic-training) (this includes cheerleaders and dance team members). The forms need to be signed by a physician (forms signed by a chiropractic doctor are not acceptable).

All athletes are also required to provide copies of their primary insurance\* card (front and back). Send insurance information and your completed athletic physical forms to your coach or a member of NWC's athletic training staff.

*\*Your primary insurance must provide non-emergency coverage in the state of Iowa.*

## Student activities & traditions

Around 90% of Northwestern students live on campus, and many of them stay around on the weekends to enjoy a full calendar of student activities. The year starts with a little friendly competition during the Clash of the Classes, and each residence hall has its own beloved traditions like Fern's all-hall pajama bowling and Hopers' duct-tape-and-cardboard-armor battle.

Visit [nwciowa.edu/campus-life](http://nwciowa.edu/campus-life) for information about student activities, music and theatre performances, and Red Raider sports, as well as a list of more than 50 student clubs and organizations you can join.

**Raider Days | Sept. 28–29**  
**Homecoming & Parents Weekend**  
[nwciowa.edu/RaiderDays](http://nwciowa.edu/RaiderDays)

## Campus employment

Most students are employed at some time during their NWC education. To be eligible to work on campus, download the **I-9** and **Federal and Iowa W-4** forms at My Checklist on [my.nwciowa.edu](http://my.nwciowa.edu). Bring completed forms to the financial aid office sometime during orientation weekend in August. You will also need to bring **2 forms of ID** (your driver's license and either your SS card or birth certificate; if you have a passport then only that form of ID is required).

## NWC's intercultural learning community

Northwestern's Vision for Learning says one of our goals is that students will "strive to love what God loves, valuing diverse people, cultures and ideas." Loving diversity starts with knowing diversity, so we aim to give students plenty of opportunities to experience difference, both on campus and off. Visit [nwciowa.edu/diversity](http://nwciowa.edu/diversity) to learn more about the intercultural experiences you'll have on campus, interacting with students from different cultures and countries.

Then explore where in the world your NWC education could take you. Our global education office plans summer study abroad experiences and offers 3 semester-long experiences: Denver Urban Semester, Oman Semester and Romania Semester. Or they'll help you enroll in one of more than 20 partner programs from Argentina to Uganda. Visit [nwciowa.edu/study-abroad](http://nwciowa.edu/study-abroad) to learn more.

### Christian formation

In addition to weekly worship in Christ Chapel, you can be part of a Discipleship Group in your residence hall and join one or more campus ministry or mission teams. Students are expected to accumulate 28 Christian formation credits per semester out of 62 credits offered from chapel services as well as other worship and discipleship opportunities. Visit [nwciova.edu/faith](http://nwciova.edu/faith) for details.

### Christmas break

Exams conclude on Thursday, Dec. 13, and dorms close for Christmas break at 9 a.m. on Friday, Dec. 14. Please make your holiday travel plans accordingly. Residence halls reopen Monday, Jan. 7, at 9 a.m.

### Northwestern Core

Northwestern Core (NWCORE) is the name of NWC's general education. It's the foundation for your major, your career and, truly, your life as a thinker and difference-maker. NWCORE includes our popular First-Year Seminar as well as religion classes where you'll explore your role in the grand Christian story. Other classes will explore themes such as belief and reason, cross-cultural engagement, historical perspectives, and self and society. NWCORE culminates your senior year with a class where you'll reflect on your whole Northwestern experience and chart a course for the rest of your life. Visit [nwciova.edu/NWCORE](http://nwciova.edu/NWCORE) to learn more.
